

CPM Consulting Announces Ruby Sponsorship of the 2011 SAP® SAPPHIRE NOW Conference

From 2006-2010, CPM has won the Best SAP EPM Partner Award

Singapore, May 12, 2011 - [CPM Consulting](#), the leading provider of financial consolidation, integrated closed-loop planning, budget and analytics solutions, today announced that it is a Ruby Level Sponsor at the 2011 [SAP SAPPHIRE and ASUG Annual Conference](#), the world's premier business technology conference and the largest SAP customer-driven conference. The event will take place at the [Orange County Convention Center](#) in [Orlando, FL](#) from May 16-18, 2011.

CPM Consulting has been named Best SAP® EPM Partner for the last five years because of their effective use of resources, their relationship with implementation partners and SAP, as well as their ability to understand and adapt to changing marketing conditions.

CPM's solutions help organizations transition from [Hyperion](#), [Cognos](#) or [BCS](#) platforms. They provide seamless migration, audit and historical reporting for financial consolidation, forecasts, budgets and related reporting. Visit CPM and experience the SAP [BusinessObjects™ Planning and Consolidation](#) application. CPM will demonstrate best practices for superior financial and legal compliance of historical audit requirements.

“CPM Consulting has delivered 100+ SAP EPM projects with zero escalations. Leading CFOs are continuously changing with our innovations. Apart from [Microsoft® Excel](#) migrations to SAP BPC, CPM has made considerable progress in supporting migration from Hyperion and BCS legacy systems,” said [Samir Neji](#), Managing Director, CPM Consulting. “BPCdirect™ version 2.0 has enhanced functionalities for SAP EPM 10.0, which will be used in all future consolidation migrations. Historical data compliance and audit functionalities are enhanced in the new release.”
