BACKOFFICE ASSOCIATES TO BE PLATINUM SPONSOR OF SAP GOVERNANCE, RISK AND COMPLIANCE 2009, Las Vegas, MARCH 17-20

HARWICH, MASS – March 9, 2009

[BackOffice Associates, LLC](#), the leader in [SAP® data migration](#) and [SAP data governance solutions](#), announced today that they will participate as the premier sponsor of [SAP Insider- GRC2009](#), March 17-20th, at the [MGM Grand](#), Las Vegas. This three day event delivers innovative strategies, expert instruction and best practices for Governance, Risk & Compliance. GRC2009 is the educational and networking event for SAP business and IT professionals who are responsible for governance, risk management, and compliance activities within their organizations. Among topics being covered are: Proven practices that reduce compliance costs; the opportunity to hear how other SAP customers now address Sarbanes-Oxley compliance, risk assessments, codes of conduct, and data privacy requirements.

Business Managers and IT Professionals are faced with the challenges of managing business data for governance, risk management and compliance activities in SAP. These challenges aren't solved by a single tool or magic process, but a combination of technology and sound business practices. Business Managers and IT professionals will learn first-hand how tools and services such as those offered by BackOffice Associates, can help with the tasks of master data management, data validation, data cleansing, process governance and more. "We're very pleased to have BackOffice Associates as a platinum sponsor of this event," said Benny DiCecca, CEO, [Wellesley Information Services](#), the publisher of [SAP Insider](#), and producer of the event.

[BackOffice Associates Founder and Chief Technology Officer](#), Thomas Kennedy will present on Data Migration, Data Governance and Process Governance. "Your Data is the DNA of your business." said Thomas Kennedy, "Having valid, Business-Ready Data Every Day™ is critical to success with any SAP solution. BackOffice Associates has always been dedicated to delivering 100% successful SAP projects."
